

Now Hiring: **Maintenance Technician**

COME JOIN OUR TEAM!

We are seeking a qualified individual to perform a wide variety of tasks as a Maintenance Technician for our 3 established businesses (specializing in outdoor recreation and family fun, lodging and quick-service food), Our businesses include Big Bear Adventures, the Northwoods Lodge, and SUBWAY® of Indian River. For over 40 years, Big Bear has been offering exciting Canoe, Kayak, Raft and Tube Trips on the beautiful Sturgeon River, an 18-hole Adventure Golf Course, a Ropes Challenge Course, Bumper Boats, and a General Store and Gift Shop. In the winter, we also offer Guided Raft Trips, and X-C Ski and Snowshoe rentals. This year, we will be adding Guided ATV and UTV Trail Rides in the warmer months. The Northwoods Lodge is a unique, 15-unit log motel with “Northwoods” themed rooms. SUBWAY is located inside Big Bear’s main building and offers traditional SUBWAY restaurant fare. All three businesses combined employ as many as 55 people during the peak season. Our mission is to enrich lives by helping guests connect with family and friends while providing memorable outdoor experiences, unique “up north” lodging, and of course, quality food and friendly service at our SUBWAY!

We are seeking a full-time, year-round Maintenance Technician to assist us with our goals by servicing and maintaining all of our equipment, vehicles, buildings, and properties. Starting rate of pay is \$16-\$19/hr based on training/experience, and includes paid vacation time and other benefits. This position will require the successful candidate to perform a wide variety of tasks in the following categories:

Automotive and Small Engine Repair - Tasks include, but are not limited to:

- Maintain and repair company vehicles, tractors, mowers, blowers, power tools, bumper boats etc
- General automotive tools are required.

Small Equipment Repair – Tasks include, but are not limited to:

- Maintain and repair motel and restaurant equipment/appliances such as ice machines, ovens, vacuums, and washers/dryers.

HVAC, Plumbing and Electrical

- Basic knowledge required to maintain and repair furnaces, sinks, heat/AC units, lighting fixtures, etc.

Building and Grounds Maintenance – Tasks include, but are not limited to:

- Plowing, mowing, seasonal yard clean-up, etc.
- Routine property and building inspections.
- Overall maintenance of our Ropes Course.

Light Construction and Repair – Tasks include, but are not limited to:

- Painting, drywall, trim work, lock systems, etc.

The perfect candidate for this position:

- Must be able to inspect and troubleshoot equipment and systems.
- Must have a professional attitude/appearance and be a TEAM PLAYER.
- Must be friendly, courteous, punctual, dependable, and have reliable transportation.
- Be able to adapt quickly and change direction based on needs of the companies.
- Must have strong organizational, multi-tasking, and time-management skills.
- Must be physically able to lift 100 lbs occasionally.
- Must have a valid driver’s license and a chauffer’s license (or able to obtain one)

VARIETY! This is a position where you are doing a variety of jobs in a variety of places and there is always something to do! We are here to service our guests and sometimes you will have to fill in and help with special events or needs. It could be that sometimes you are needed to even help shuttle guests and some river equipment to their starting point or help bring back some river equipment from the ending point. There is also the potential to guide Winter Raft trips and/or ATV/UTV Trail rides (which can result in very good tips!) If variety sounds good to you, then please apply today!
